Writing Tutor Worksheet

Josh M. Beach Writing Classes

Writing Center tutors are here to help you revise your own writing. Tutors will not edit your papers. Tutors also will not write on your drafts: You need to write all editorial changes on your own paper.

If you need help with grammar or sentence structure, then you need to specifically tell the tutor which issues you want to discuss in your paper.

Please indicate which categories were discussed in your appointment. Explain issues in box.

FORM (Quality of Writing)

- ___ (1) Introduction: Are subject and thesis introduced?
- ___ (2) Thesis: Does the paper have a point?
